

Outstanding HSC Results.

Mt St Patrick College is very proud of the 2021 HSC cohort. The College appeared 73 times in the distinguished achievers list. The band 6 results were across many subjects. The College was 114th in the state on the Top 200 Schools List.

Year 11 accelerated students achieved band 6's in Mathematics, Chemistry and Investigating Science. Amelie Ogg was successful in achieving band 6's in both Chemistry and Mathematics which is an extraordinary achievement.

Miranda Quantrill achieved first place in the state in Music and Tiffany New achieved 4th in the state in Multimedia. 20% of the cohort received an ATAR above 90. Two students Miranda Quantrill and Ysabella Purser achieved an ATAR above 99.

Mt St Patrick Students took on the challenge of COVID and achieved exceptional results in the practical components of subjects. Nominations were received in ENCORE, INTECH, ART EXPRESS and ONSTAGE.

At the first College assembly for 2022, the HSC cohort returned to celebrate their achievements and to thank the dedicated teachers that work as a team with their classes to promote academic excellence. The DUX for 2021 Miranda Quantrill was presented with the Dr Cletus perpetual trophy. The students then participated in a forum with the 2022 HSC cohort, passing tips and wisdom for success in the HSC.
